## FOOD SEIZURE IS UPHELD BY HIGH COURT

COLUMBUS, O., August 27.—The right of the state of Ohio to seize and sell at public auction food which has been held in cold storage longer than permitted by the state food storage law, was upheld by the state supreme court in a decision handed down today.

The decision fully upholds the constitutionality of the cold storage law under which seizure of 75 tons of pork owned by the Columbus Packing Company had been made by the Franklin county common pleas court.

The meat had been held in cold storage longer than the six months' limit allowed under the cold storage law.

Seizure of millions of pounds of meat and other cold storage products in Cleveland, Cincinnati, Toledo, Columbus and other large cities are expected to follow immediately. Officials in these cities have only been waiting for the state supreme court decision to take similar action, it is said.

## Claims Record In Air Derby

TORONTO, ONT., Aug. 27.—A record trip between Toronto and the west coast long distance flying is claimed by Major Harold G. Schroeder, who yesterday completed the international Maynard, flying the Haviland "Four" airplane between Toronto and New York, with four 100 horse power engines and a record time of 11 hours and 55 minutes.

Schroeder was in the air when the international event, when they landed here last night, Lieutenant Maynard arrived at Roosevelt Field at 11 o'clock yesterday on the return, after a flight of 28 hours and 25 minutes. The American Flying Club announced that the actual flying time in which these flyers made the trip could not be determined until the stations along the route had made reports.

## MEXICAN CAVALRY SAID TO HAVE FOUND YANKS

EL CENTRO, CALIF., Aug. 27.—Mexican cavalry under the command of Captain Trujillo, late yesterday were reported to be en route to the international boundary, Lieutenant Frederick Waterhouse, said C. H. Connelly, American statesman missing from Rockwell Hill since last Wednesday.

Captain Trujillo reported by courier to Colonel Hipolito Harro, chief of the military forces of Lower California who has directed the search for the men for the past five days, that he had found them alive in Lower California, about two hundred miles southeast of San Diego.

The country where the men were found is mountainous and inaccessible. It is expected the men will be brought to Ensenada, the capital of Lower California, or to Mexico, where they will be taken into the United States.

Colonel Harro dispatched a courier with a request for details to the cavalry band that found the officers.

## DR. Z. B. CAMPBELL PASSES AWAY

CHICAGO, O., August 27.—Dr. Z. B. Campbell, former chairman of the Ohio civil service commission, died here this morning after an illness of several months from cancer. He was a graduate of Western University, of

## CONFERENCE WITH UNIONS REFUSED BY STEEL CHIEF

NEW YORK, August 27.—Robert H. Gary, chairman of the board of the United States Steel Corporation, made public today a communication sent by him to a committee of the American Federation of Labor, which is organizing workers in the iron and steel industry, asserting that his corporation would decline to discuss business relations with trade unions as such.

NEW YORK, August 27.—After Robert H. Gary, chairman of the board of the United States Steel Corporation, had refused to see them yesterday, representatives of the American Federation of Labor, who are organizing the workers in the steel and iron industry, sent him a written request asking for a personal interview. It was announced today by William Z. Foster, of Pittsburgh, secretary of the committee Mr. Gary in declining to see the men, asked them to submit in writing any communication they might care to make.

## U. S. MINISTER TO CHINA RESIGNS

WASHINGTON, Aug. 27.—Dr. Paul S. Reinsch, American minister to China, has resigned. His resignation is now in the hands of President Wilson, but it was denied that he had presented it "audaciously" as reported in Japanese dispatches to Honolulu.

It was said at the White House that the president had not yet acted on the resignation. Reasons which led Dr. Reinsch to ask to be relieved of his office were not made public.

## CLOSE RACE IN MISSISSIPPI PRIMARY

JACKSON, Miss., Aug. 27.—Returns today from yesterday's primary failed to clear up doubt as to the Democratic nominee for governor, although at the headquarters of both candidates, Lieutenant Governor Lee Russell and Oscar Johnston, claims of victory were made.

Both sides claim majority of ten thousand votes. Conservative predicted the winner would have a majority of less than 5,000 and said an official count may be necessary.

## CALIFORNIA IS WITHOUT TRAIN SERVICE

SAN FRANCISCO, CAL., August 27.—Most of California was without rail transportation today on account of strikes of trainmen and shopmen.

Strikes, some announced to be in sympathy with striking employees of the Pacific Electric Company at Los Angeles and some without any announced reason, broke rapidly last night, and were followed by orders here and in the east against setting tickets to or through the troubled areas.

Mainly, the strikes in the south are of members of the "Big Four" Railroad Brotherhoods, but in Northern California, where they began yesterday and last night they principally are of yard employees. None of the strikes are sanctioned by international officers of the unions. A committee named by striking yard employees here last night, has instructions from the strikers to take steps today looking to a spread of the strike.

Railroad administration officials admit themselves unable to move trains and declared today they must remain so until some change takes place in the situation. Virtually similar conditions prevail at Los Angeles, as well as in many smaller places, some of which, particularly in Southern California, have had no rail communication for several days.

## PRODUCERS DEFENDING PACKERS

WASHINGTON, Aug. 27.—Producers feel that the packers "are being fooled" by all this agitation and legislation. J. C. Thurmond, an officer of the Oklahoma Livestock Producers' Association, told the senate agriculture committee today. He said the association was "regularly opposed" to the Kenyon and Kaedick bills proposing regulation of the packing industry through a licensing system.

"The people in general are opposed to any more of this licensing," he added.

Branch houses of the five big packers through the southwest, Thurmond said, were in competition to buy cattle. It was frequently the case, he said, that independent houses which started in the business failed frequently because "they did not have anything but wind to run on."

## LUDENDORFF'S OWN STORY

General Erich Von Ludendorff in the most sensational story that has been secured since the war ended, bares the German plot to rule the world. Ludendorff believed unrestricted submarine warfare would bring the Allies to their knees before the American fleet could cross the seas. He backed the program for 13 months after a conference with the Kaiser and the Chancellor. These and other revelations are made in a series of articles from the pen of the noted German general which will be published daily and Sunday in The Times commencing Sunday, Sept. 7th.

## DAREDEVIL FLYER (U) DES PLANE THROUGH VICTORY ARCH IN PARIS

Aviator Godfrey, French aviator, recently performed the daredevil and seemingly impossible feat of flying his airplane through the arch of the Arc de Triomphe in Paris. The plane was whirling along at 143 kilometers an hour when it slipped through the arch. There was just barely room for the wings of the plane to go through without hitting the sides of the arch. The feat is considered even more difficult than that of flying through one of the towers of the Tower bridge in London. This feat was performed two or three years ago.

## Cool Wave To Continue For Several More Days

WASHINGTON, D. C., August 27.—The cool wave extending over the country east of the Mississippi river, and which is almost unprecedented for this time of the year, probably will continue for a day or two, it was said today at the weather bureau. It results from high pressure over the plains states.

Richmond, Virginia, reported a minimum temperature of 54 degrees today, one degree below the previous low record for August, in that city.

## BERNSTORFF'S SUCCESSOR ANNOUNCED

BERLIN, Tuesday, Aug. 26.—Dr. Hansel von Haimhausen, former counselor of the German embassy at Washington, has been selected for appointment as German ambassador to the United States, according to authoritative information today.

Dr. W. S. Solt, the secretary for the colonies, is the selection for the ambassadorship to Great Britain, and Herr Kadenitz, former under secretary of state, for the ambassadorship to China.

Fritz August Thiel, former German consular representative in Japan, has been selected for ambassadorship to Tokyo.

The appointments of ambassadors, it is stated, depend upon the attitude of the powers in question. If they send charges d'affaires to Berlin, Germany will take like action, as to representation in the capitals of such powers.

There is no mention at present of the selection of a German ambassador to France.

WASHINGTON, Aug. 27.—No inquiry has been made of the United States as to whether Hansel von Haimhausen former counselor of the imperial German embassy here, will be acceptable as ambassador, but there is every indication that this government will not receive Haimhausen or anyone else formerly connected with the embassy under the regime of Count Von Bernstorff.

Nearly every one connected with the German embassy in Washington in a responsible position in the days preceding America's entrance into the war is regarded by the government as more or less involved in the intrigues and plots which stirred the country.

When it was proposed to send Count Bernstorff to Paris at the head of the German peace commission, the attitude of the powers in question, if they send charges d'affaires to Berlin, Germany will take like action, as to representation in the capitals of such powers.

There is no mention at present of the selection of a German ambassador to France.

## INDICTMENTS FOR HOARDING IN CINCINNATI

CINCINNATI, O., August 27.—Ten indictments charging violation of the cold storage law, were returned by the grand jury in a report today to Judge John A. Caldwell, of the common pleas court. Five of the indictments are against Swift and Company, of Cincinnati, and five against William Alexander, butcher, of this city.

The indictments each contain three counts, making a total of 30 counts in all. Those against Swift and Company, charge the company with withdrawing for purpose of sale of cold storage chicken, which had been in storage for more than the ten months allowed by law.

The charge against Alexander is that he withdrew for sale beef which had been in storage for more than the six months allowed by law.

This report is probably not the end of the Hamilton county grand jury's investigation on the cold storage situation in Cincinnati, according to County Prosecutor Capelle.

## AMENDMENTS TO FOOD CONTROL ACT REPORTED

WASHINGTON, D. C., August 27.—Amendments to the food control act providing penalties for profiteering and bringing clothing and other necessities within the scope of the law were reported to the senate today by the agriculture committee. Chairman Gronus expects to call them up at the earliest opportunity. Senator Gronus said the committee's action was not unanimous and that several members reserved the right to offer amendments and vote against others.

## BOLSHEVIKI CLAIM GAINS

LONDON, August 27.—Pskov, southwest of Petrograd, has been captured by Bolsheviki forces, according to an official statement issued at Moscow. The Bolsheviki also claim successes on the Volga. In General Denikin's territory. They report the capture of Kamensk on the Volga, 120 miles southwest of Saratov, and say their forces are advancing toward Taurinsk, 100 miles further south on the Volga.

In the district northeast of Kamensk, the Bolsheviki statement reports the recapture of the towns of Borissoglebsk and Porovine.

## DRIVE ON SALOONS IN CHICAGO

CHICAGO, August 27.—Roused to activity by the murder of a policeman and later death from wounds of another man as the result of a revolver fight in a saloon, Chief of Police George E. Quinn today ordered every police captain in the city to lead in the government crusade against violators of the July prohibition law.

Meanwhile the government officers continued their raids on saloons, although to be violators of the law, and Bernstorff and his appointment would certainly not aid the Germans in securing the best peace terms.

Haimhausen's attachment to the German peace commission in the capacity of secretary was widely less welcome, but was tolerated by the American commission for the reason that his familiarity with the issues might make him useful and his connection with the operations of the German embassy here was less than that of his principal.

## BRITAIN STOPS ALL WORK ON WARSHIPS

LONDON, August 27.—All private ship building yards throughout the country, numbering about 20, are ordered by the government today to stop all work on warships except those about to be launched. The admiralty yards at Chatham, Devonport and Portsmouth will not stop, however, as they are entirely occupied with the fitting of 2,500 steamers which are about to be returned to the owners from whom they were requisitioned for war service.

The Mail quotes an officer of the admiralty as saying that one sound reason for stopping work on warships is that the stop will clear the yards for commercial building.

## MARTIAL LAW IN ALL HUNGARY

PARIS, August 27.—Martial law, which was proclaimed in Budapest a few days ago, has been extended to the whole of Hungary, according to a Hungarian dispatch from Budapest.

INFORMATION ON PROFITEERING  
CLEVELAND, O., August 27.—Fresh information concerning alleged profiteering of commission men and restaurateurs caused County Prosecutor D. O. Coffey today to order the special grand jury to recommence tomorrow, hear additional testimony. The jury apparently had ended its investigation last week.

## WILSON SOON TO START ON WESTERN TRIP

WASHINGTON, Aug. 27.—President Wilson will begin his trip to the Pacific coast just as soon as details can be arranged, probably within ten days or two weeks.

Secretary Tamm today made this definite announcement, adding that the president felt he should make the trip. It is regarded as likely that the president will reach the Pacific coast in time to review the Pacific fleet at San Francisco, September 15.

Secretary Tamm said the "long" would occupy about 25 days. "If the president can stand it," and the itinerary is expected to be completed within 24 hours. The president's purpose is not to include Chicago, has not been changed, it was said, but he may speak at Columbus and Cincinnati and also at St. Louis.

The president was represented as regarding it more pressing than ever that he should make the trip and it was explained that he would not necessarily wait for the peace treaty to be reported to the senate by the foreign relations committee.

While the president wishes to start on his tour very soon, there are various elements that must be considered, including the necessary arrangements for his reception in the cities to be visited and his desire to greet General Pershing when he arrives in New York next week.

Secretary Tamm said the president felt that the speech making tour was of greater importance and that possibly he would greet General Pershing somewhere in the west, probably at St. Louis, as the general plans to go to his old home in Missouri soon after returning from overseas.

While the itinerary still is incomplete, it was regarded today as almost certain that the president would speak at St. Louis, Iowa; Minneapolis, St. Paul, Minnesota, and Bismarck, North Dakota.

## EXTRADITION OF BELA KUN DEMANDED

BASLE, August 27.—The extradition of Bela Kun, and his associates in the former Hungarian communist government, has been demanded by Hungary from the Austrian foreign office, according to a dispatch from Vienna.

## ATTEMPT TO BE MADE TO RUN CARS

PITTSBURGH, PA., August 27.—An attempt will be made to run street cars at midnight tomorrow night and break the strike that has tied up trolley transportation here for 23 days. It was announced last night by the receivers of the Pittsburgh Street Railway Company.

This decision came following an announcement from Detroit last night that at a meeting of the general executive board of the Amalgamated Association of Street and Electric Railway Employees, it was voted not only to uphold International President W. D. Mahon, who last Saturday, suspended the local division of the Union No. 65, for striking in violation of its agreement to abide by the decision of the war labor board, but to secure notice on the members of the local division that if its members did not return to the members of the local division would be organized and the strikers would be considered as outlaws of the national union.

## LABOR DAY TRAVELERS WARNED

WASHINGTON, Aug. 27.—Persons desiring to go traveling on Labor Day were warned today by Director General Hines to make arrangements, including the purchase of tickets and sleeping car reservations as far in advance as possible. Arrivals within the next two weeks of the first and third army divisions from France and other troop movements will require a large number of cars, but all possible equipment will be made available for the holiday traffic.

## DEATH TOLL AT BANQUET REACHES SIX

ALLIANCE, O., August 27.—With the death here today of Mrs. John C. Sharer, 40, the death toll in the poisoning case, growing out of a dinner given at Lakeside Country Club, Canton, rose to six. Mrs. Sharer's husband died last night. Early this morning her condition seemed to indicate perceptible improvement, but later she sank rapidly until paralysis crept over her, her physician said.

Officers of the old Eighth Ohio, formerly President McKinley's own, will be honorary pall bearers for Colonel Charles C. Weybrecht, former adjutant general of the Ohio National Guard, who was poisoned as a result of having eaten mushroom soup at a luncheon Saturday in Canton, at his funeral Friday afternoon. Military honors will be paid the dead officer, and colors of the 14th Infantry presented to Colonel Weybrecht by the Alliance Rotary Club, will be carried in the funeral cortege.

The death toll has been increased to four, all of whom were with Colonel Weybrecht at the party. Victims besides the officer, are: Mrs. Helen Galt, of Soling; John C. Sharer, jeweler, of Alliance; Frank McAvoy, chef, and a negro waiter, Bob Jennings.

## TO MAKE CHEMICAL ANALYSIS

CLEVELAND, O., August 27.—A chemical analysis to determine whether cold storage turkey or chicken caused the death of five persons who attended the dinner given at the Lakeside Country Club at Canton, Saturday night, will be made here today by Dr. John G. Spencer, of Western Reserve University.

The contents of the stomach, kidneys and intestines of Robert Jennings, one of the victims, submitted by Governor T. S. McGuire, of Stark county, and others remaining of those served at the table, will be examined.

## BILLY-BUT-IN

Of course all folks locally like to see the kids run 'em all and oughtn't to complain about how and when they do it, but it kind of keeps a fellow's nerves on edge when they wait until the last day of the year, and then put the kids in the winner's circle. Nope, there's no immediate relief in sight for this local sport. Here's for tomorrow: OHIO—Showers probably tonight and Thursday; not much change in temperature. The extremes in local temperature today were: High, 73; low, 52.

## All Are Invited To Red Cross Conference

City as well as County people are urged to attend the sessions of the Red Cross Conference here which will take place Friday and Saturday at the High School building.

There will be a meeting Friday afternoon, one Friday evening, and Saturday morning.

## Red Cross Is Busy

Mrs. Columbia White, executive secretary of the Home Service Department, relayed the following information to the local Red Cross, which has been authorized by the Lake Division acting manager, D. C. Dougherty, and the Red Cross peace program for the County Red Cross committee to civilians.

Red Cross headquarters are on the second floor of the First National bank building.

## Wants To Fight Here

Elmer Mayfield, a former well known local pugilist, now located at Lima, is still active in the boxing game and is anxious to appear in a bout here before his old friends.

In a letter to The Times, Mayfield says he is in good shape and can easily make 160 pounds and states that he would like to meet someone here at that weight or at catch weights. Mayfield is quite a scrapper and an effort will likely be made to book a contest here in which he will appear as one of the principals.

## 83RD WILL HOLD REUNION MONDAY

All plans for the big 83rd Division Reunion and the ceremony of turning over the colors to the Adjutant General of the State of Ohio have been arranged.

As previously stated this reunion will take place at Columbus, Ohio, on Monday, September 1, 1919. The actual presentation of the colors to the Adjutant General of the State of Ohio will take place at 2:00 P. M. on the west side of the Capital grounds.

After the colors have been assigned to the center of the stand, Major General Edwin P. Glenn will present the colors to the Adjutant General of Ohio. The color bearers of the 83rd Division will then over their colors to the Adjutant General of Ohio who will assign them to their final resting place in the Capital grounds.

The Adjutant General of Ohio, Major General Edwin P. Glenn, will be in charge of the ceremony. He will be assisted by Major General Edwin P. Glenn, who will be in charge of the ceremony. He will be assisted by Major General Edwin P. Glenn, who will be in charge of the ceremony.

## BITTER DEBATE ON TREATY

WASHINGTON, D. C., August 27.—Senator Fall, Republican, New Mexico, replying in the senate today to an address yesterday by Senator McCumber, Republican, North Dakota, criticizing the foreign relations committee for opposing the ratification of the peace treaty, said senators who had not read the treaty and did not know its contents were the most insistent that it be ratified immediately.

Soon after he began speaking, Senator Fall was interrupted by Senator Nelson, Republican, Minnesota, who asked what he proposed to do with the treaty.

"There is no use attempting to chop this treaty into mince meat," declared the Minnesota senator. "If that is the senator's object, he will find that mince meat will be wiped aside by the senate."

Senator Fall said he would not enter into a discussion with Senator Nelson in deference to the latter's age, whereupon Senator Nelson rejoined:

"You needn't consider my age, but just consider me the youngest man in the senate. I am neither in my second childhood, in this matter nor in the Mexican matter."

Later interjections of Senator Fall's speech by Senator McCumber led to one of the bitterest exchanges since the treaty debate began.

Facing each other at a distance of a few feet, the two senators raised their voices and pounded their desks to emphasize their declarations.

## PROPOSE RAISE FOR POSTOFFICE EMPLOYEES

WASHINGTON, D. C., August 27.—A bill to increase the salary of \$150 for each post office employee for this fiscal year is proposed in a resolution favorably reported today by the house post office committee. Minimum wages of 60 cents an hour are proposed for sub-stitute employees.

The proposed increases have been opposed by the post office department. Assistant Postmaster General Koons having written the committee that a salary of \$40,000,000 would result, placing an "unjust burden" on the public.

## YOUNG WOMAN, SAID TO BE FROM PORTSMOUTH, KILLED IN COLUMBUS

COLUMBUS, O., Aug. 27.—Miss Grace T. Tunbush, aged 19, believed to be from Portsmouth, is dead and three of her companions are in a local hospital as a result of an automobile accident there early this morning.

The injured are: Albert Johnson, driver and owner of the machine; Miss Adeline Davis and Lester Pratt, all of Columbus. According to officials, Johnson said the party had been drinking. The machine went into a ditch while being driven at a high rate of speed. The local city directory does not list any one by the name of Tunbush and efforts of The Times to locate persons bearing that name in this vicinity were unsuccessful.

A mission, conducted by Rev. Jos. H. Steinhilber, former K. of C. Chaplain at Camp Sherman, will be held at Our Lady of Lourdes Church, Oway, and Holy Trinity Church, Pual Creek, beginning Sunday, August 31.

A mission, consisting of a series of sermons, for the purpose of renewing religious life and devotion and to correct faults which are apt to develop unnoticed in the daily routine of life. It is to help correct these faults and also to remind us of our relationship to God, our Creator, that a mission is held. In this way it is similar to a "revival."

It will also be of interest to our non-Catholic friends, for it will give them a better idea of Catholic belief and practice, and all are cordially invited to attend. It will give them an excellent opportunity to learn at first hand the true Catholic doctrine which is so often misunderstood by those not of the faith. As Father Steinhilber is an interesting and fluent speaker, it will be a pleasure to hear him.

The time and place of services will be as follows:  
At Oway, Sunday, August 31, at 10:00 a. m. and Monday, Wednesday and Friday evenings at 7:45 p. m.  
At Pual Creek Sunday, August 31, at 7:30 p. m. and Tuesday, Thursday and Saturday evenings at 7:30 p. m.

## WARNING TO TURKS CAUSED FLURRY IN PARIS

PARIS, August 27.—An informal warning to Turkey that massacres of Armenians must cease, given recently by Rear Admiral Mark L. Bristol, commander of the United States naval forces in Turkey, caused something of a flurry in French official quarters and in the supreme council of the peace conference it developed today.

In the council there was reported to have occurred sharp criticism of American interference in Turkey through missions and otherwise, despite the fact that the United States had shown no disposition to accept the mandate for the administration of any Turkish territory.

The impression prevailed that in this case the United States had acted alone in a formal communication to the Turkish government.

It was explained by the American delegation, however, that the warning was delivered informally by Admiral Bristol several days ago; that no formal note was sent but merely an informal statement. The United States also not attempting to speak for the peace conference.

On receiving the warning, Turkey, it appears, immediately complained to Great Britain and France, saying she was threatened. The explanation of the American delegation to the peace conference that the warning was informal, however, apparently removed the objections to the American action.

## Services On West Side

A mission, conducted by Rev. Jos. H. Steinhilber, former K. of C. Chaplain at Camp Sherman, will be held at Our Lady of Lourdes Church, Oway, and Holy Trinity Church, Pual Creek, beginning Sunday, August 31.

A mission, consisting of a series of sermons, for the purpose of renewing religious life and devotion and to correct faults which are apt to develop unnoticed in the daily routine of life. It is to help correct these faults and also to remind us of our relationship to God, our Creator, that a mission is held. In this way it is similar to a "revival."

It will also be of interest to our non-Catholic friends, for it will give them a better idea of Catholic belief and practice, and all are cordially invited to attend. It will give them an excellent opportunity to learn at first hand the true Catholic doctrine which is so often misunderstood by those not of the faith. As Father Steinhilber is an interesting and fluent speaker, it will be a pleasure to hear him.

The time and place of services will be as follows:  
At Oway, Sunday, August 31, at 10:00 a. m. and Monday, Wednesday and Friday evenings at 7:45 p. m.  
At Pual Creek Sunday, August 31, at 7:30 p. m. and Tuesday, Thursday and Saturday evenings at 7:30 p. m.

## GOLF TOURNAMENTS

An 18 hole medal play tournament will also be held and the winners will be awarded handsome prizes. George B. Kicker won the first leg of the tournament started last Saturday for a handsome loving cup.

## Had Rheumatic Cramps And Was Otherwise Ill

But Refreshed Sleep and Freedom From Pain Came With the Use of NERV-WORTH

The following strong signed endorsement recently came to Piquette, Ohio's Nerr-Worth drugstore from Theo. Dietrich, of that city, who is well and favorably known. Mr. Dietrich thanks his cramps came from rheumatism:

"I had cramps in the feet and lower limbs so bad that I would be obliged to get up at night as often as five or six times and rub my feet and walk the floor. After using Nerr-Worth this trouble has disappeared. Consulted three doctors without relief."

**THEO. DIETRICH**  
1027 Covington Ave., Piquette, O.  
Nerr-Worth steadies and strengthens the nerves, whets the appetite, adds flesh, aids digestion, restores the liver, regulates the bowels, restores restful sleep, banishes sick and nervous headache and other aches and pains, builds up run-down systems. If it does not do this for you your doctor back at the Fisher & Streich Pharmacy, The Jenkins Pharmacy sells Nerr-Worth at Oak Hill.

**Velvet Always Hits a 3 Bagger:  
Sight! Smell!! Taste!!!**

THEN it's easy to get to the home-plate, right where you snuggle down in an old coat and slippers to enjoy life.

To begin with, Velvet Tobacco, in its jolly red tin, has a wholesome generous look to it. Nothing namby-pamby about it. A red-blooded tin full of red-blooded tobacco, for red-blooded folks.

Open it up—and you get the fragrance that Nature stored in the tobacco during eight changing seasons, while it mellowed in great wooden hogsheads.

And say! It's great! That good, natural fragrance of Kentucky's wonder tobacco—Burley—King of Pipe-land. No camouflage about it. No dolling up.

Pack a pipelod. Light up and you'll get the fragrance of real tobacco—the incense to solid comfort.

And a mild, pleasant taste, that only our Nature-ageing method can impart. You will never taste a finer cigarette than the one you roll with Velvet.

Fifteen cents a tin—not a cent more.

Batter up!

A friendly pipelod makes even the tinniest seem almost human.

Velvet Joe

## Sell Bonds

County Auditor Sampson Eckhart and Vallee Harold, who were in Columbus, Tuesday, to sell, if possible, \$193,000 worth of bonds to the State Industrial Commission, were successful in their mission. The bonds are for the purpose of completing the improvement of 6 and 9-10th miles of improvement on the Scioto Trail to the Pike county line and it is believed with the early disposal thereof at least six months and, possibly a year, will be saved in the completion of the improvement, as the contract can be let in October and the contractor can do much work this year, building bridges and culverts and getting the material on the ground.

## DENIES CHARGES OF WAR VETERANS

WASHINGTON, D. C., August 27.—The federal board for vocational education through its director, Dr. Charles A. Prosser, has addressed a letter to members of congress denying charges recently made by the Association of Disabled Soldiers, Sailors, and Marines of delinquency in the board's administration.

Replying to the association's charge that hundreds of men have been compelled to depend upon the charity of friends for months after applying for vocational training because of the board's delay in arranging for payment of compensation, Dr. Prosser declared that the board had not the authority to make such payments or place the men in training until compensation for disability is awarded by the bureau of war risk insurance. This provision of the rehabilitation act, he said, had given rise to much misunderstanding.

MORGAN MEN IN REUNION OLYMPIA SPRINGS, KY., August 27.—Members of Morgan's confederate cavalry—41 of them—were in attendance when the 17th annual reunion of the Morgan Men's Association, which represents confederate veterans and relatives, opened here today. The annual roll call featured today's program. Thursday, the closing day of the convention, will be devoted to the "camp fire," the annual story telling session. Ten members of Morgan's cavalry have died since the reunion last year.

DETAILS OF "FANNING FACTORY" ARE GIVEN WASHINGTON, D. C., August 27.—Operations of the army reorganization depot at Biele, popularly known as the "Fanning factory," were detailed in a report issued today by the war department. Officers ordered to Biele for reorganization included 1081, of whom 602 were assigned to the reorganization of the army. The report shows six of every 1000 regular army officers were sent before efficiency boards as compared with three of every 1000 emergency officers. Fourteen of the former were demoted, 126 assigned to the same rank, but in the supply service, 25 were sent home and 45 were discharged.

## EFFICIENT U. S. ARMY IS URGED

WASHINGTON, D. C., August 27.—Conditions of which the public has knowledge, make it important that a thorough state of efficiency in the American army be reached with as little delay as possible. Secretary Baker declared in a letter today to Chairman Knibb, of the house military affairs committee, which went exhaustively into the reasons why he has asked congress for authority to retain a maximum of 18,000 commissioned officers in the military establishment up to June 30, 1920.

Pointing out that the two major tasks now facing the war department are the "complete rebuilding of a permanent military force" and the liquidation of property valued at six and a half billion dollars, Secretary Baker said authority to retain a maximum of 18,000 officers might be free to devote their entire energy to army reorganization.

As to the problem of liquidation, said the secretary, he believed the retention of an adequate commissioned personnel to supervise this work was in the interest of national economy.

As per ordinance No. 2114, passed October 18, 1917, there was authorized the issuance of bonds in the amount of \$15,000.00, and as per section IV of said ordinance, "the proceeds from the sale of said bonds shall be placed in the city treasury to the credit of the sewer construction fund and shall be disbursed upon proper vouchers for the purpose of constructing, extending, improving and repairing sewers and for no other purpose whatsoever." The said bonds have interest at the rate of 5 per cent. per annum, and were sold to The First National Bank January 14, 1918, at par and accrued interest, and the proceeds, except the accrued interest, placed to the credit of the sewer construction fund on said date.

It will be noted that at the time of the audit, September 30, 1918, there was expended but \$2,804.27. At the time of the issuance and sale of said bonds the city had no sewer construction work in contemplation, and, with the exception of the Hill Top sewer, none was in process of construction. The result of the issuance of bonds far in excess of the amount needed means an extra expense to the city in the way of interest, the city losing the difference between the depository rate, 2 1/4 per cent. and that borne by the bonds, 5 per cent., or 2 1/4 per cent. December 31, 1918, there was a balance in the sewer construction fund of \$12,688.51, this indicating that the city lost in interest during 1918 on sewer funds it did not need, approximately \$325.00. Owing to the stressed financial condition of the city there should be a husbanding of the city's funds in every way possible.

It will be noted from the provisions of Section IV of the bond ordinance that the funds may be used for the purpose of "repairing sewers." We are of the opinion that bonds should not be issued for such purpose but that the cost of the repair of sewers already constructed should be paid from the appropriations under "sewers" in the public service fund.

So far as indicated by the records of the board of control other than awarding a contract to Harold Wendt, for the taking up and relaying of 1170 square yards of paving in connection with the Hill Top sewer construction, no contracts were awarded for sewer construction work. However, a number of contracts were entered into, for such kind of work, by the director of service, each of which, save one, amounting to less than five hundred dollars.

The contracts entered into by the director of service without competitive bidding were as follows:

April 15, 1918,	With Kelly Bros. for construction of Storm water and sanitary sewer, in Gallia street from Gay street west to Security Bank	\$648.00
April 20, 1918,	With Chas. P. Stamm, for construction of sanitary sewer in alley east of Clinton street from Green alley south to Fourth street	227.10
Aug. 6, 1918,	With Chas. Seeley, for construction of sanitary sewer in first alley east of Jefferson street and south from Third street	391.80
Sept. 19, 1918,	With A. C. Frowine, for construction of sanitary sewer in alley east of Broadway street between 6th & 8th	212.00

No far as indicated by the record of the director of service—the above were the only contracts entered into for sewer construction during the period audited. However, as indicated by the vouchers on file with the city auditor, the following sanitary sewers were constructed during said period:

By James McDaniel, Sanitary sewer in alley between 7th and 8th streets, west from Lincoln street; known as Portsmouth Supply Co. Sewer; cost \$240.00

By Chas. P. Stamm, Sanitary sewer in alley east of Washington street south from 3rd street; known as Reed sewer; cost 180.00

No contracts were found in the files of either the department of service or the city auditor for said constructions, and the records of the director were silent concerning same.

Under the provisions of Section 4328, General Code, it is mandatory that the director of service enter into a contract for such class of work, whether the aggregate cost exceeds five hundred dollars or not, and under the provisions of Section 4334, General Code, all contracts must be made in writing. A verbal contract is of no force and effect, and there is no authority in law for making a contract, no difference what the amount may be, other than in writing.

The court has held in State, ex rel. vs. Yeobuck, 15 Dec. 400, that "contract less than \$500.00, for street improvement may be let to lowest bidder, in discretion of director, but council cannot require contract to be let."

Under said decision the council cannot require contracts involving less than \$500.00 to be let at competitive bidding but the director of service is not barred from so awarding them. However, there should be no advertisement for such bids, but notices should be sent to contractors so as to secure the most aggressive competition. To protect the interests of the city, as well as to protect the director from embarrassment, it is advisable to award all contracts amounting to less than \$500.00 at competitive bidding.

Inasmuch as the records of the director of service fail to disclose a written contract entered with James McDaniel for the construction of "The Portsmouth Supply Co. Sewer," and with Chas. P. Stamm for the construction of the "Reed Sewer," a finding of a sum of \$420.00 is returned against James McDaniel in the amount of \$240.00, and against Chas. P. Stamm in the amount of \$180.00, there having been paid to Mr. Stamm but said amount, \$80.00 having been retained.

## PLANE NC-4 TO VISIT THIS CITY IN NOVEMBER; ON RECRUITING TOUR

Portsmouth is to be visited by a NC-4, a biplane, on a tour beginning at which made the first night across the Atlantic, with a pilot no less distinguished than Lieutenant Commander Albert G. Read, who was at the helm during the flight which will live throughout the annals of time.

According to an announcement made yesterday by Lincolnton B. Moon, chief printer of the United States Navy Recruiting Station at Cincinnati, the NC-4 in command of Lieutenant Commander Read, will be in the Ohio Valley district, November 21. The

## HAS UNIQUE TRAVEL RECORD

"To travel from New York city to come an art with him. San Francisco, from Lansing Mich. to Key West, Fla., from Santa Fe, New Mex. to Augusta Me., from Charleston S. C. to Portland, Oregon." Isn't that some record for a Ford?

This has actually been done as the evidence was open to the public at the police station, this morning. Lawrence B. Melville, of New York city, started from home on June 1, 1917, in answer to the slogan, "See America First," and since then has visited every capital in the union except two, those of Maryland and Delaware. In 1917 he passed through this section, visiting Columbus at the time, and is back again because he passed up Charleston W. Va. He had learned in his school days that Wheeling was the capital of West Virginia and did not know that it had been changed until he was in the far west.

Visiting the state capitals is his particular hobby and so he came back to maintain the record. Mr. Melville has used a Ford touring car for the entire trip, which to date is over 60,000 miles. He changes tires every 3,000 miles and gives his machine a thorough looking over each morning before he starts out. He carries a complete camping outfit, everything included from toothpicks to a sleeping kit. Cocking by the wayside has be-

# LOSES FOOT IN ACCIDENT

John Potts, aged 20, son of Mr. and Mrs. William Potts, well known residents of South Webster fell under the wheels of a B. and O. engine at South Webster last night at 8 o'clock and was seriously injured. His right foot was ground off above the ankle, his skull was fractured in two places and he suffered multiple injuries about the arms and shoulders.

Potts after receiving treatment at South Webster from Dr. A. G. Stevens of that village and Dr. H. A. Shier of this city was brought to Hempstead hospital, this city. There it was stated this morning that the young man's condition was serious. He is only conscious at times.

Potts, who has been employed as a sectionman on the B. and O. has been against him this time as he missed his step and fell beneath the wheels of the engine, his right foot being cut off just above the ankle. He had a remarkably close call from being ground to pieces.

Potts is an industrious young man and his friends will regret to learn that the accident will leave him handicapped for life if he recovers.

## SERVICE MEN FITTINGLY HONORED

The lobby of the N. and W. Y. M. C. A. in East Portsmouth was a gay place Tuesday night when 150 men and their friends partook of the hospitality of the Y. M. C. A. "open house." The party was given in honor of returned service men and their friends. A number of men were in uniform. Everyone had a splendid time. The program was furnished by Miss Laura White, violinist, Miss Ruth Crawford, pianist, Miss Bessie Mink, solo singer, Miss Virginia Gilbert and Henry Gilbert, cornetists, Miss Nell Dugally, reader, Rev. A. J. Averitt, speaker and G. C. Bennett, humorous reader.

The reception program was followed by a social hour which was greatly enjoyed. Y. M. C. A. secretary H. C. Steaks and Religious Director G. M. Naylor had charge of the arrangements for the affair which was a splendid success.

## POLICE FORCE IS REDUCED TO KEEP WITHIN PROVISIONS OF ORDINANCE

To keep within the provisions of an ordinance passed recently by council, reorganizing the police department, which becomes effective Sept. 1, the expected shake-up in the police force started Tuesday, when Sergt. John Smith resigned and turned in his equipment. Sergt. Smith has been on the desk at night at police headquarters for several months.

It will be necessary to cut the force to five night patrolmen and a captain and two day patrolmen, and it is said that Fred Dolz, night turnkey, will be the next to be cut off, but it is reported that he will be taken care of with a job in the service department as assistant to Pete Yeager, who, it is said, is to be named as assistant director to succeed John Williams, resigned.

Debbie, O. Dear Miss Wise—Does High School begin next Monday? What does one do upon entering a strange High School? Go to the principal or the superintendent to get the school map? (Please tell the -portentous-). How long should a girl wear her dress? What will remove blackheads from the nose? **LOVE STICK.** High school begins Tuesday, September 2, you should make arrangements both with Superintendent of Schools, Frank Appel, and Superintendent of the High School, C. E. Stalley. Both offices are in High School building. By calling 150 you can make an appointment. Wear your dresses about 10 inches from the floor if you are tall. I have published two very good formulas in my column during the past two weeks for removing black heads.

Dear Miss Wise—If a man is acquainted with a girl who does not live in the same town, and he would like to correspond with her by letters but has not had the chance to ask her. Would there be any harm in him writing to her and asking the privilege of corresponding or should he wait and see the girl and ask her? Also please tell me in what year Easter Sunday comes on the 31st of March as it did last year? Will thank you for the information. **LOVE STICK.** It would be alright to write to her and ask permission to correspond. Easter Sunday comes on the 31st of March in the 18th and 20th centuries as follows: 1890, 1890, 1891, 1892, 1907, 1918, 1920, and 1991.

## Put Up Every Pound of Fruit You Can Get This Summer

**Delicious Jams, Jellies and Preserves made by this recipe:**

Many a woman hesitates to try putting up fruit at home.

She fears she will only waste expensive materials.

It really is very simple. Just make your preserving syrup with  $\frac{1}{4}$  Karo (Red Label) and  $\frac{1}{4}$  sugar instead of sugar alone.

You can then be sure of your results as the woman who always has "luck" with her preserving.

Nice fine, clear Karo Syrup has a natural affinity for the fruit juices. It blends the sugar with the juice—brings out the rich "fruity" flavor, and insures firm jams and jellies that never "candy" in the glass.

A well-filled fruit pantry will give you much pleasure this winter, when fresh fruits are scarce and high, if you just use Karo Syrup with your sugar.

For Cooking, Baking and Candy Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.

## Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly—I am really in need of advice. I am engaged to a very charming girl and until a few weeks ago all went well.

She began by accepting a position. I did not want her to. From that time on she has changed. She used to

be beautiful, but at the present time she is exceedingly sly. She claims she does not know how to flirt, but I see her all the time. She has a machine and a white back she stopped and picked up another fellow and drove him to his home, only one square away. Don't you think she should have walked? Should she do that way?

The boy is a recent acquaintance whom she met at her place of employment. Her manner toward me is the same. She says she still loves me and will try to quit flirting, but turns right around and says she does not think she ever did flirt. I used to love her deeply, but find that as her manner changes I like her less. She speaks to fellows she does not know and answers any kind of a salutation. Her manner in company is questionable. If you were me, Dolly, would you quit going with her at once, or would you wait and see if she changes for the good or what? I confess I am stumped. I used to flirt a little, but a year ago, at her request, I quit it.

We have been going together two years or more. Yours in hope,

I think you are silly, and that her machine made you narrow, which combined with her natural love of freedom and hatred of narrowness makes your girl friend go to the opposite extreme and do foolish things, perhaps. In self-defense. If you like her, don't try to rule her, but make it a palship—a 50-50 proposition.

Dear Dolly—I have seen a girl down street several times and would like to get acquainted with her. Now Dolly I would not flirt with her. I cannot find any one who knows her so they can make us acquainted. Now would it be all right to speak to her some time? I would thank you very much for your advice in this matter. W. N. L.

No do not flirt with her or speak to her without being properly introduced for if she is the right sort of girl she will not be well impressed by your methods. Keep on trying to find some one who knows her. Do this in such a quiet way that you will not embarrass the girl. Don't give up hopes.

Miss Dolly Wise—Will you please help me to make some money by sending me some names of people who have washing and ironing to do and some people who have some sewing to do. H. H. S.

Apply to the Free Employment Bureau.

Nenia, Ohio, Dear Miss Wise—As I read your column I would like for you to tell me what it means when a boy winks his right eye at a girl and what is the sign when he winks the left eye? A READER.

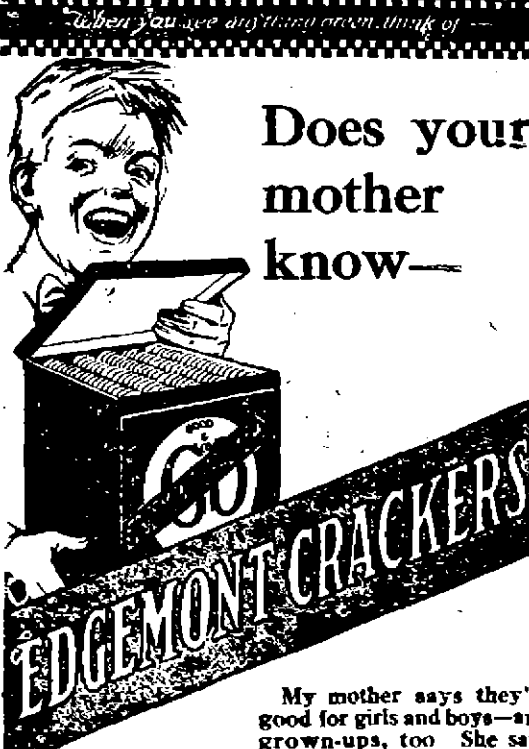

Oh, I expect he was just batting his eyes. Maybe some nervous trouble.

Sciotoville, Dear Dolly—I have a very nervous little girl and the doctors have advised me to keep her quiet, now Dolly I have a neighbor just across the street, who persists in playing her Victrola just about the time I think my little girl needs rest. I have often complained to her about the noise she would take the hint, also children on the street make so much noise. Dolly, I can't stand out and quarrel with the children neither can I stand the noise. Don't you think there is a way to prevent this? I like quietness for myself, and I just wish you would tell me.

Douglas Fairbanks Has Another Big Success in "Arizona". His New Playhouse of the Southwest.

Douglas Fairbanks, the ever popular success in his latest playhouse, "Arizona," a screen version of Augustus Thomas' famous play, which will be at the Lyric theatre tonight. Of course, there was never any doubt but that this play was an ideal vehicle for the screen, but with Douglas Fairbanks, in the leading role of Lieut. Dent, there are no adjectives that fittingly describe the "charm" of the picture, its thrill, its tremendous suspense, heart interest and dramatic qualities.

"The story is familiar to most playgoers, and it will be unnecessary to repeat it here, and, indeed, much of the pleasure to those who do not know the plot will be in their inability to guess the outcome of the twisted story. Suffice to say it deals with affairs at the period of the Spanish war, and the love affairs of the officers present a tangled skein which is only unraveled at the end. The unjust suspicions attaching to Denton, the trickery and villainy of Hodgeman, the ingenuousness of Bonita and the characteristic fierceness of the Colonel and of Conny are all phases of delightfully enacted character parts. The story has the martial atmosphere that is certain to be so popular today, yet is of a bygone period before the khaki distinguished the American soldiers. It was then, still, the "boys in blue."

Never has a better cast been chosen for a picture. Too much can scarcely be said for the work of all concerned. Of course Douglas Fairbanks is splendid in the leading role. His boyish breeziness and his determination are all infectious. Theodore Roberts is a wonderful Conny, and Frederick Burton is fine as the Colonel. Frank Keller, and three women are wonderfully interpreted by Marjorie Daw as Bonita; Kathleen Kirkham as Estrella and Marguerite de la Motte as, Elena Raymond. Denton does fine work as Tony.

This picture will repay anyone's time in witnessing it as it offers clear, clearly defined, artistic and purely American drama by a master dramatist. It is a departure for Douglas Fairbanks, but it is another evidence of his versatility.

**ALICE JOYCE**  
VITAPHONE STAR

Alice Joyce in the Famous Play, "The Lion and the Mouse." To be at the Strand Theatre for its first showing in Portsmouth.

Tremendous interest is attached to the announcement that the Strand will present tomorrow night for its first showing in Portsmouth, a dramatization of the famous stage play, "The Lion and the Mouse," with beautiful Alice Joyce in the star's role. Hundreds of thousands of people have seen and enjoyed this play on the speaking stage, and it has just now of its charm in its reproduction on the screen. The theme is fascinating and involving. Shirley Ross, played by Alice Joyce, was a clever and determined American girl, just like thousands of other American girls. They say that if a man has money enough he can gain any end. Can he?

Isn't this just like a woman?

Humor, Pathos and Sentiment About it in "Little Women," at The Temple Tonight

Filled with humor, pathos and sentiment, "Little Women" is the tale of a family of four girls in Concord, Mass., where they grow up. "Little Women" has been pictured and released as a Paramount-Artcraft special picture. Will be shown at the Temple Theatre tonight. This will be an event in which every woman and child in the city, and many, too, for that matter, who have read this immortal story, will be intensely interested.

King Victor's great photo play, "The Lion and the Mouse," a sequel to "The Lion and the Mouse," will be the special attraction offered at the Lyric Theatre tonight only. There is hope, joy, laughter and the sheer happiness of living in "Better Times."

The story is one of those folk-human beings whom we all know in our everyday life with their virtues and their faults, their whimsicalities and their pathos, and is a refreshing relief from the regular run of motion pictures. If you've got a friend with a "grouch," bring him to see "Better Times." It's a picture you'll never forget as long as you live. Shows no comedy, "His Wicked Ways" and another one that comedy will be shown as added attractions.

**ZANE GREY'S Great Story**

**The BORDER LEGION**

Starring **BLANCHE BATES** **ROBERT BOSWORTH**

Directed by **THEATRE HUNTER**

A melodrama of the lawless west in the days of '49

Released through **GOLDWYN**

The most virile production of the year thus old New York proclaim "The Border Legion" the remarkable dramatization of Zane Grey's gripping story, starring Blanche Bates and Robert Bosworth. To those who have not had the pleasure of reading this great book we will tell that it is the story of Joan Randall (Blanche Bates), a daring girl of the West, who makes her home in a mining camp in the Rockies.

Joan is engaged to a young man in the mining camp at her home. She breaks the engagement and her lover threatens to flee from the mining camp and join a band of outlaws. This he carries out and Joan, who realizes how disappointed her lover is, starts out to find him. Joan loses her way over the mountain and falls into the hands of outlaws. You'll regret it if you miss this play.

**THEATRICAL THE SUN**

Have you seen and heard the two youngsters playing at the Sun? Is the common question among the people who saw the show yesterday. They are good, so good that it is worth going to see them alone.

The three changes of bill will not make any difference as the special numbers that Baby Norma and Buddy Francis will be just as good if not better with each change of bill.

In addition to this clever pair the rest of the show is exceptionally good, the entire play is clean, snappy and interesting every minute, and you'll enjoy it.

The photo play will be a new fire reel feature one that never has been shown here before.

There will be a matinee daily and two shows every evening. All tickets reserved for the first evening show.

Next week Zane Grey's "Fashionable Musical Comedy" on Labor Day four shows will be given 12-13, all seats reserved both for matinee and night shows, matinee prices will be same as night.

**COUNTY NEWS**

Miss Elizabeth Harness, of Lucasville, entertained a number of friends yesterday evening in honor of her son, Miss Proctor Taylor, of Mt. Sterling. The evening was spent in music, games and dancing, after which refreshments of ice cream and cake were served to the following:

Misses Nellie and Rose Lambert, Minnie Sellers and Marjorie Russell, of Portsmouth. Carrie McCarty of Ashland, Ky.; Seva Dadds, Georgia Brown, Fannie Taylor, Phoebe Taylor, Elizabeth Harness, Messrs. Harvey Thompson, Leslie Gaudin, Frank Purdie, Elmer Carter, Earl Robinson, David Allison, James McCarty, Gus McCall, Nora Harness, John McCall and Pearl Jackson, of Portsmouth. Mrs. Mahan of Portsmouth, Va.

Mrs. Mary Foley of White Station has as guests her grandchildren, Everett and Hazel, of Dayton.

**SPORT SALAD**

ST. LOUIS, Aug. 27.—Pitcher Dave Danforth of the Chicago Americans today was traded to the Columbus team of the American Association for Pitcher Wilkeson. Manager Glendon of the White Sox announced here today that Danforth will join the White Sox tomorrow, Glendon said.

The Reds secured string players will now get their chance as the Reds play three exhibition games in the next three days. See will no doubt club a few as he is said to be a real hitter.

The Reds is the first team to make 1,000 blinks in the National League. The trick was turned when Wingo singled in the 4th inning of yesterday's game. That is why the Reds are up there. They have the delightful habit of hitting with men on the sack.

PHILADELPHIA, Pa., Aug. 27.—The fast going Cincinnati Reds, who have a firm hold on first place in the National League baseball pennant race, left today for Parkersburg, Pennsylvania, where they play an exhibition.

The league leaders have no regular scheduled game until Saturday at Pittsburgh. Tomorrow the team plays an exhibition game at York, Pennsylvania, and at Harrisburg on Friday.

August Hermann, chairman of the National commission, will leave for Chicago Sunday night, where he will call a meeting of the commission and talk over the world series plan.

It is probable that two schedules will be prepared. One if the Cincinnati are to be the National League representatives in the classic and the other if New York shall have that honor. The American League plans will include the White Sox and the Detroit.

Giving Portsmouth as their home, Dee Garvey and Edith McNeil, obtained a license to wed at Catsburg, Ky., yesterday.

**GIRLS! USE LEMONS FOR SUNBURN, TAN**

Try it! Make this lemon lotion to whiten your tanned or freckled skin.

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn and tan lotion, and complexion whitener, at very, very small cost.

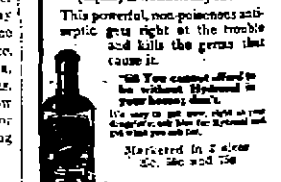

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms, and hands and see how quickly the freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

SORE AND INFLAMED THROAT

IN cases of sore throat Hydrosol (liquid) is wonderfully effective. This powerful, non-poisonous antiseptic gets right at the trouble and kills the germs that cause it.

"All You cannot afford to be without Hydrosol in your home; don't!"

It's easy to get your right size and you can get it for 25c and 50c.

Marketed in 2 sizes 25c and 50c

Hydrosol is sold by The Western Company, Cincinnati, Ohio.

**Haran's Rex Last**

This medium round toe is very popular with business and professional men, owing to its neat appearance and comfortable fitting qualities. Made of the best brown Russia calf skin, by expert shoemakers. I also have this shape in black in a high shoe. My price today is from four to five dollars under the market price. Better buy a pair now and keep them for next season. Good shoes are an economy.

# Noted Players At Millbrook Park Sunday And Labor Day

## Reds Grab Both Games From Phillies; Giants Split Even

### Jack Bushelman And Jimmy Viox Will Be In Norwood Line-up

There are at least fifteen hundred fans in Portsmouth who will throw their hats in the air when they glimpse the line-up of the strong Norwood team of Cincinnati, which makes a stand against the All Stars at Millbrook Park Sunday and Monday next. The line-up as submitted by D. M. Bohrer, contains the names of some of the greatest players that ever played the game, and several of the names are quite familiar to Portsmouth fans, many of whom have seen them in action at Millbrook Park.

For instance, Manager Bohrer writes that he will pitch Jack Bushelman, who at one time wore a Portsmouth uniform in the O. S. L. and who was later sold to the Boston American League team, where he pitched some great games. His wildness was the only thing that ever kept him from being one of the most successful hurling sensations of the country. Bushelman will surely be here and will probably be used in the Sunday game. Benton, said to be the best young pitcher in Cincinnati, and who was to receive a trial with the Cincinnati Reds, will be used in one of the games, probably the Labor Day engagement on Monday afternoon. Al Leake, formerly with Charleston in the O. S. L. and later with the International League, will be in reserve in case the distress signal is given by either Bushelman or Benton. Portsmouth fans remember Leake very well. He is one of the hardest working players that ever appeared on the local lot, and a pitcher who can clutch the apple for a fare-you-well. Then there will be "Red" Munson, who had charge of the Portsmouth team of the O. S. L. and who is an able backstop. Munson had rather poor success with the locals, but he is a capable catcher and a grand fellow. When he found he was not the man for the job he turned the reins over and hunted another position. He has a host of friends here and they will be out to bid him welcome. Munson at one time was a Philadelphia National League ball player and did great work behind the bat. Age has not affected his speed at all, nor dimmed his batting eye. He is still able to hit viciously and will no doubt catch one of the passes here. He is an adept on the running lines and his friends here insist that he get out along third base and pull off his monologues. George Kiehl, formerly of the Central League, will alternate with Munson behind the bat.

Johnny Dell, who got his start as a member of the Ironton team of the O. S. L., will play first base. Dell, it will be recalled, went from Ironton to Columbus, where he set the American Association on fire with his hitting and out-fielding. He later decided to play first base and made good. At one time he was one of the budding stars of the country and could now be playing anywhere he wanted, but he so desired.

But the real star of the Norwood bunch will be Jimmy Viox, lately with Pittsburgh of the National League and still on that club's reserve list. Viox is really one of the greatest second basemen in the country, but he has had trouble with the Pittsburgh management with regard to salary and is one of the few real holdouts of the country. He is a demon with the stick and a fielder of the first water. Viox is considered to be one of the greatest base runners in the game and a boss for all times. Portsmouth fans will welcome the chance to size up the big fellow who is at the top of the form and who would materially assist the Pirates.

Gordon Weil, short-stop, and George Tepe, third basemen, are both products of the Central League and both are grand ball players. Witter, of the Columbus team, American Association, is said to be a grand out-fielder. Dunham Fisher and Ed Sperber will complete the outfield. Sperber is said to be the fastest man in Cincinnati and is open to race any man in the country in a dash of 10 yards. He is like a flash, according to Manager Bohrer.

While the Norwood team stacks up as one of the best clubs that ever appeared at Millbrook Park, Manager Brennan and his men are not one bit alarmed. The bigger they are the harder they fall, is the conclusion reached by Manager Brennan.

Manager Bohrer writes that he will bring along a large number of the souvenir score books published by the Norwood team. The books are sold to be works of art and worth preserving. Everything points to a great throng at the park on both days, and the fans will be pleased at the prospect offered by Manager W. N. Gableman for the two days. No doubt all attendance records at the local park will be smashed to smithereens. The games will be called at 2:30 and will start promptly on time.

Arrangements will be made to receive the score by innings of the Cincinnati-Pittsburgh game on Sunday, and the Chicago-Red game on Labor Day. Everything possible will be done for the comfort of the fans who attend the games. Make arrangements to see these two games and witness the greatest contest of this season.

Johnny Dell, who got his start as a member of the Ironton team of the O. S. L., will play first base. Dell, it will be recalled, went from Ironton to Columbus, where he set the American Association on fire with his hitting and out-fielding. He later decided to play first base and made good. At one time he was one of the budding stars of the country and could now be playing anywhere he wanted, but he so desired.

But the real star of the Norwood bunch will be Jimmy Viox, lately with Pittsburgh of the National League and still on that club's reserve list. Viox is really one of the greatest second basemen in the country, but he has had trouble with the Pittsburgh management with regard to salary and is one of the few real holdouts of the country. He is a demon with the stick and a fielder of the first water. Viox is considered to be one of the greatest base runners in the game and a boss for all times. ### OUTFIELDER DUNCAN MAKES GOOD

That boy Duncan broke into a regular game for the Reds yesterday and made good. He scored two of the five runs in the eventful fifteenth inning.

In the second game with his single and then promptly stole second. Many fans expect to see Moran use this fielder again in the outfield during many of the September battles.

### HEINE GROH JOINED REDS IN 1913

Holide Groh has been a member of the Reds longer than any of the other players. He joined the Cincinnati team in 1913.

In point of age, Sallee and Daubert are the oldest players now working on the team.

### Team Has A Big Lead

The Reds now have a 7-5 point lead over the Giants, the team having a percentage of .705 against .633 for the Giants. If the McGraw men overtake the Reds they will have to climb in something faster than an airplane.

### LOCAL HERO TO GET FRENCH CROSS

#### Going To Conference

Mr. Albert Marting will leave next week for Detroit, where he will attend the annual meeting of the Central M.

E. Conference. He is completing his sixth year in Portsmouth and expects to be returned here, where he has built up a splendid congregation.

### PHILS ARE LEADING

In the game between New York and Philadelphia today the Phillies forged to the front in the very first inning by showing a run over the plate after

blanking the McGraw clan in their half of the round.

Barnes was pitted against Neenan on the pitching hill.

Neither team scored in the second.

### Ship 18,000 Watermelons

The Scitola Produce company, of Front street, shipped a whole lot of watermelons, 18,000 in all, to Huntington dealers today.

The company favored The Times with four of the melons as samples of the high-class of the products they handle.

### Was Crimpy Around Edges

The cool wave seems to be gaining impetus, rather than losing it, as the thermometer registered 52 this morning.

The highest point reached during the day was 73 at 2 p. m.

### WITH THE SICK

Miss Rose McCoy of Eleventh street, who underwent operation in Hampstead hospital Tuesday for appendicitis, is now home and her condition is favorable.

Mrs. John Kah, who has been suffering from a nervous breakdown for several days, is slightly improved.

### SOCIETY

Captain and Mrs. W. J. Kores and daughter, Helen, of Fourth street, moved to Columbus today to attend the Ohio State Fair.

Ridicule and Humor.

The chief difference between ridicule and genuine humor is that ridicule is cruel and humor is kind. Ridicule shows lack of understanding and consequent lack of tolerance. Humor, by means of understanding, becomes tolerant. The really great humorists are great humanitarians.—Exchange.

### N. & W. CONDUCTOR INJURED IN FALL

#### SOUTHAMPTON VIES WITH NEWPORT FOR HONORS AS SOCIETY'S SUMMER COLONY

E. D. Fitzsimmons, N. & W. yard conductor, sustained painful injuries about the head and body shortly before noon today when he fell through a culvert in the railroad yards at East Portsmouth. The accident was due to the breaking of a railing and precipitated Fitzsimmons to the bottom of the culvert.

The injured man was given first aid at the Y. M. C. A. and then moved to his home on Walnut street. He was severely injured on his back.

### Mr. Patterson In The City

T. C. Patterson, formerly auditor of Soloto county, is here on a visit to old friends. He is accompanied by Mrs. Patterson and they are the guests of Mr. and Mrs. Albert Presler, of Offshore street. Mr. Patterson is now a member of the National Audit Company, of Charleston.

### GOES ON FARM

Rev. O. L. Barnegrove, who resigned as pastor of the U. M. church last day for his new home in Hillsdale county. He will spend a year on his farm.

### SEARCHING FOR AVIATOR

TORONTO, ONT., Aug. 27.—An airplane was sent out across Lake Ontario at 3 p. m. to search for Lieutenant H. G. Schliker, one of the American entries in the international derby, who left Buffalo at 12:12 p. m. and who has not yet arrived here. The Toronto life-saving crew also has been notified and has joined in the search. It is believed that Schliker, who was on the last leg of his flight, probably started across the lake, although several of the officers have come by way of Hamilton.

## MISSING AVIATORS FOUND, REPORT Germany Selects New Ambassadors

### MEXICAN CAVALRY SAID TO HAVE FOUND YANKS ALIVE IN MEXICAN WILDS

EL CENTRO, CALIF., Aug. 27.—Mexican cavalry under the command of Captain Trujillo, late yesterday were reported to be searching for the international boundary. Lieutenant Frederick Waterhouse and C. H. Connolly, American aviators missing from Rockwell Field since last Wednesday.

Captain Trujillo reported by courier to Colonel Lippold Barrios, chief of the military forces of Lower California who has directed the search for the men for the past five days, that he had found them alive in Lower California, about two hundred miles southwest of San Diego.

The country where they were found is mountainous and inaccessible.

It is expected the men will be brought to Ensenada, the capital of Lower California, or to Mexicali, whence they will be taken into the United States.

Colonel Barrios despatched a courier with a request for details to the cavalry band that found the officers.

### WILSON SOON TO START ON WESTERN TRIP

WASHINGTON, Aug. 27.—President Wilson will begin his trip to the Pacific coast just as soon as the trip can be arranged, probably within ten days or two weeks.

Secretary Tumulty made this definite announcement today, adding that the president felt he should make the trip. It is regarded as likely that the president will reach the Pacific coast in time to review the Pacific fleet at San Francisco, September 13.

### ATTEMPT TO BE MADE TO RUN CARS

PITTSBURGH, PA., August 27.—An attempt will be made to run street cars tomorrow night and tonight. The strike that has shut up the city since last night for 13 days, it is expected, will be broken by the return of the Pittsburgh Street Railway employees.

The decision came following an emergency meeting of the general executive board of the Amalgamated Association of Street and Electric Railway Employees. It was voted not only to suspend the strike but to accept the terms of the new contract offered by the International Union of Marine and Shipbuilding Workers of America, which was voted by the local division of the union.

The members of the local division of the union did not return to work until the local division was organized and the strikers were considered as outlaws of the union.

### CLOSE RACE IN MISSISSIPPI PRIMARY

JACKSON, Miss., Aug. 27.—Returns today from yesterday's primary failed to clear up doubt as to the Democratic nominee for governor, although at the headquarters of both candidates, Lieutenant Governor Lee Russell and Oscar Johnston, claims of victory were made.

Both sides claim a majority of ten thousand, while conservatives predicted the winner would have a majority of less than 5,000 and said an official count may be necessary.

### LABOR DAY TRAVELERS WARNED

WASHINGTON, Aug. 27.—Persons desiring to go traveling on Labor Day were warned today by Director General Hines to make arrangements, including the purchase of tickets and sleeping car reservations as far in advance as possible.

Arrival within the next two weeks of the first and third army divisions from France and other troop movements will require a large number of cars, but all possible equipment will be made available for the holiday traffic.

### TWO KILLED IN ACCIDENT

COLUMBUS, O., August 27.—Two persons were killed and two others were seriously injured early this morning when an automobile in which they were riding overturned in Broad street, five miles east of Columbus. An unidentified man, about 21 years of age, and Miss Grace Young, said to be Columbus, 25, and Miss Adeline Davis, 19, both sustained internal injuries, which may prove fatal. The party was returning to Columbus after a joy ride, when the car, driven by control of the machine.

### SAYS JAP THEFT WILL CAUSE WAR

Thomas F. Millard.

Thomas F. Millard, who lived and traveled for twenty years in the Orient, has told the senate foreign relations committee that the Shantung clause in the peace treaty means war between the United States and Japan within ten years.

The Japanese situation is creeping up, he says, but like the German situation it is not likely to be a sudden outbreak. He believes that while trouble may start in many ways the United States will be lucky in.

### BRITAIN STOPS ALL WORK ON WARSHIPS

LONDON, August 27.—All private ship building yards throughout the country, numbering about 20, are affected by the government order that all work be stopped on warships except those about to be launched.

The admiralty says at Chatham, Devonport and Portsmouth will not stop, however, as they are already occupied with the refitting of 2,700 steamers which are about to be returned to the country from whom they were requisitioned for war service.

The Mail quotes an officer of the admiralty as saying that one reason for stopping work on warships is that the ship will close the yards for commercial building.

### U. S. MINISTER TO CHINA RESIGNS

WASHINGTON, Aug. 27.—Dr. Paul S. Reinsch, American minister to China, has resigned. His resignation is now in the hands of President Wilson, but it was declared that he had presented it "voluntarily" as reported in Japanese dispatches to Honolulu.

### OPENING STOCKS

NEW YORK, Aug. 27.—Moderate selling attributed to the rejection by the railroad shippers of President Wilson's offer, impaired a heavy tone to the stock market at the opening today. Losses of 1 to 2 points were made in leading rails, steel, copper, tin, and other commodities. The market was heavily recorded before the end of the first hour on the increased demand for freight stock, Bakers' Local, and several of yesterday's strong issues.

### LUDENDORFF'S OWN STORY

General Erich von Ludendorff in the most sensational story that has been secured since the war ended, bares the German plot to rule the world. Germany expected to win a victory before the United States could act. Ludendorff believed unrestricted submarine warfare would bring the Allies to their knees before the American troops could cross the seas. He backed the program for U-boat murders after a conference with the Kaiser and the Chancellor. These and other revelations are made in a series of articles from the pen of the noted German general which will be published daily and Sunday in The Times commencing Sunday, Sept. 7th.

### Claims Record In Air Derby, More Planes In

TORONTO, ONT., Aug. 27.—A record for long distance flying is claimed for Major Doolittle Schreeder, who yesterday completed the international aerial race between Toronto and New York and return. In actual flying time Major Schreeder was in the air nine hours and 35 minutes.

MINNEAPOLIS, N. Y., Aug. 27.—More than 20 airplanes participating in the international aerial derby were expected to arrive at Roosevelt Field today from Toronto and several new entrants, including Colonel William Thaw, who gained fame as commander of the Lafayette Escadrille, were preparing to start on the first lap of the race.

With improved flying weather the pilots were hopeful of bettering the marks made yesterday by three aviators who succeeded in making the round trip between Minnea and the Canadian city.

Lieutenants M. J. Plumb, and C. W. Mearns, flying De Havilland "Four" machines with four 100 horse power Daimler engines completed their part in the international event, when they landed here last night. Lieutenant Plumb arrived at Roosevelt Field at 5:50 p. m. having consumed a gross time of 25 hours and 35 minutes. Lieutenant Mearns alighted at 6:44 p. m., having been away 26 hours and 41 minutes. Major R. W. Schreeder, in a triplane, who left Roosevelt Field Thaw, who gained fame as commander of the Lafayette Escadrille, were preparing to start on the first lap of the race.

The American Flying Club announced that the actual flying time in which these aviators made the trip could not be learned until the stations along the route had made reports.

PARIS, August 27.—Martial law, which was proclaimed in Budapest a few days ago, has been extended to the whole of Hungary, according to a Havas dispatch from Budapest.

### EFFICIENT U. S. ARMY IS URGED

WASHINGTON, D. C., August 27.—Conditions of which the public has knowledge, make it imperative that a thorough state of efficiency in the American army be reached with as little delay as possible. Secretary Hines declared in a letter today to Chairman Nelson of the house military affairs committee, which was enthusiastically received by the committee.

He has asked congress for authority to retrain a maximum of 15,000 conscripted officers in the military establishment up to June 30, 1920.

Pointing out that the two major tasks now facing the war department are the "complete rebuilding of a permanent military force" and the liquidation of property valued at six and a half billion dollars, Secretary Hines said authority to retrain a maximum of 15,000 officers was requested in order that the officers might be free to devote their entire energy to army reorganization.

"As to the problem of liquidation," said the secretary, "it follows the liquidation of a bankrupt corporation, and is in the interest of national economy."

### CALIFORNIA IS WITHOUT TRAIN SERVICE

SAN FRANCISCO, CAL., August 27.—Most of California was without rail transportation today on account of strikes of trainmen and shopmen. Strikes, some announced to be in sympathy with striking employees of the Pacific Electric Company at Los Angeles and some without any announced reason, broke rapidly last night and were followed by a general strike in the east against selling tickets to or through the strikers.

Mainly, the strikes in the south are of members of the Big Four Railroad Brotherhoods, but in Northern California, where they began yesterday and last night they principally are of road employees. None of the strikes are authorized by international officers of the unions. A general strike caused by striking yard employees, here last night, has interrupted the flow of the strikers to take steps toward holding to a spread of the strike.

Railroad administration officials, unable to operate the lines, have declared today they must maintain as much service as they can in the situation. Virtually all the railroads are closed at Los Angeles. It is anticipated at both cities as well as in many smaller places, some of which were struck by the Southern California, have had no rail communication for several days.

### DRIVE ON SALOONS IN CHICAGO

CHICAGO, August 27.—Roused to activity by the murder of a policeman and later death from wounds of another man as the result of a revolver fight in a saloon, Chief of Police Connelley today ordered every police captain in the city to lead in the government crusade against violations of the July 1st prohibitory law.

Meanwhile the enforcement officers continued their raids on saloons alleged to be violators of the law, and seizures of bottles with liquor cargoes and trucks loaded with beer from Wisconsin have brought state officials into the crusade. According to Attorney General Brundage, every saloon in Chicago is flagrantly violating the law, and the state's attorney announced that he would prosecute every complaint made to him.

### BOLSHEVIKI CLAIM GAINS

Munson at one time wore a Philadelphia National uniform and did great work behind the bat. Age has not affected his speed at all, for almost his balling eye. He is still able to hit viciously and will no doubt catch one of the games here. He is as adept on the coaching lines and his friends here will insist that he get out along third base and join off his monologue. George Kiefer, formerly of the Central League, will alternate with Munson behind the bat.

Johnny Bell, who got his start as a member of the Irons team of the O. S. L. will play first base. Bell, it will be recalled, went from Irons to

## Moran's Men Are At Parkersburg Today

PHILADELPHIA, Aug. 26.—Cincinnati had to go 15 innings in the second game of Tuesday's double header to make a clean sweep of the series here with Philadelphia. The league leaders won the first game, 4 to 3, and the second 5 to 3.

Cheney went to pieces after tanning Neale with the bases filled in the fifteenth, and hits by Kopf, Duncan and Wingo drove in runs. Both Cheney and Fisher went the whole distance and pitched creditably, being backed up by sensational holding.

Here is how the Reds won the second game in the fifteenth inning: Neale singled to center. Daubert sacrificed and both runners were safe when Adams threw to second, too late to get both. Kopf sacrificed, Cheney to Paulette. Neale was purposely passed, filling the bases. Neale struck out. Kopf singled to left, scoring Rath and Daubert. Housh and Kopf worked a double play. Duncan singled to right, scoring Housh and Kopf. Duncan stole and took third on Adams' bad throw. Wingo singled to left, scoring Duncan. But Wingo was out trying to take second. Baugher to Paulette. Five runs, four hits, one error.

# Farmers Fall Out Over Harness; One Probably Fatally Wounded

A serious shooting affair, which may terminate fatally for John J. Jackson, took place three miles north of Fire-brook, O., last night.

Joseph J. Jenkins, alleged gun user, has been arrested and is a prisoner in the county jail at Jackson. He probably will face a charge of shooting with intent to kill.

Jackson and Jenkins are neighbors, and have been for years. They fell out over a set of harness and their argument heated it is said when Jenkins pulled a gun and shot Jackson in the right arm and in the hip. The second bullet lodged near Jackson's spine and his condition is serious. He is married and has a family.

The shooting took place just across the Ohio county line. Jenkins, shortly after the shooting gave himself up to the Jackson sheriff.

# C. & O. SHOPMEN DECLARE THEY WILL STRIKE UNLESS INCREASE GRANTED

Ashtabula, Huntington and Russell, C. & O. railway shopmen will refuse the offer of President Wilson for four cents increase on the hour and express their determination to strike September 2nd, unless their demand for an increase in wages, ranging from ten to twenty-five cents per hour is accepted.

Albert Pinthoff, chairman of the local shop federation in a statement this morning, said, that although there has been no official notice received by the local shopmen of President Wilson's offer, the men intend to remain firm in their rejection of all offers for an increase in wages except that increase which is their demand. He also stated that the men were prepared to walk out on September 2nd and that in addition to all mechanics, pipe fitters and boiler makers, the laborers, who were permitted to work during the previous week, would strike with them.

Huntington shopmen commented that the president's offer was an evasion of the issue and was only to determine their strength of the strike.

# POLICE FORCE IS REDUCED TO KEEP WITHIN PROVISIONS OF ORDINANCE

To keep within the provisions of an ordinance passed recently by council, reorganizing the police department, which becomes effective Sept. 6, the expected shake-up in the police force started Tuesday, when Sergt. John Smith, resigned and turned in his badge.

Sergt. Smith has been on the desk at night at police headquarters for several months. It will be necessary to cut the force to five night patrolmen and a captain and two day patrolmen, and it is said that Fred Goltz, night turkey, will be the next to be cut off, but it is reported that he will be taken care of with a job in the service department as assistant to Pete Yeager, who, it is said, is to be named as assistant director to succeed John Williams, resigned.

## Family Pride.

Family pride, as it exists in society, seems to involve an absolutely, fearfully much as the honor of being descended from a great man increases exactly as the degree of consciousness of this diminishes; for the famed the descendants are as more upstarts compared to such of his remote posterity as can trace their origin to their great progenitor, back through a period of many years.—John M. Macdonald.

Things and times are never as they used to be. For instance, in looking over one of those charming old-fashioned stories, said to have been written at least 4,000 years ago, a Hittite priest is represented as lamenting the loss of reverence and piety among "young people."—Montgomery Advertiser.

# John Potts Falls Under Wheels Of B. & O. Engine

John Potts, aged 20, son of Mr. and Mrs. William Potts, well known residents of South Webster fell under the wheels of a B. & O. engine at South Webster last night at 8 o'clock and was seriously injured.

His right foot was ground off above the ankle, his skull was fractured in two places and he suffered multiple injuries about the arms and shoulders. Potts after receiving treatment at South Webster from Dr. A. G. Stevens of this city was brought to Hempstead hospital, this city. There it was stated this morning that the young man's condition was serious. He is only conscious at times.

Potts, who has been employed as a sectionman on the B. and O., has been in the habit of boarding B. and O. trains and helping the fireman fire-up while going over the famous Graham Hill. Last night as a double header came through South Webster Potts tried to jump on the first engine, but missed the step and was thrown to the ground. He was uninjured, and jumping to his feet he swung for the step of the second engine. Jack was against him this time as he missed the step and fell beneath the wheels of the engine, his right foot being cut off just above the ankle. He had a remarkably close call from being ground to pieces.

Potts is an industrious young man and his friends will regret to learn that the accident will leave him handicapped for life if he recovers.
